For those who cannot listen to the live call, a telephonic replay will be available through November 19, 2009 and may be accessed by calling 303-590-3030 and using the pass code 4181633#. Also, an archive of the webcast will be available after the call on the Company's website.

About Evolution Petroleum

Evolution Petroleum Corporation (<http://www.evolutionpetroleum.com>) acquires known, onshore oil and gas resources and applies conventional and specialized technology to accelerate production and develop incremental reserves and value. The Company is well positioned to continue its development projects in CO₂ based EOR, bypassed resources and low cost shale gas. Principal assets as of July 1, 2009 include 3.9 MMBOE of proved and probable reserves in the Giddings Field of Central Texas, 0.5 MMBO of proved and unproved reserves with 79 additional locations in South Texas, 13.6 MMBO of probable reserves in the Delhi CO₂-EOR project in northeast Louisiana, 17,600 net acres of leases in shallow gas shale in Eastern Oklahoma and our proprietary artificial lift technology.

Additional information, including the Company's annual report on Form 10-K and its quarterly reports on Form 10-Q, can be accessed on its website.
