Evolution Petroleum to Present at the IPAA Oil and Gas Investment Symposium

Houston, TX, April 16, 2009 - Evolution Petroleum Corporation (NYSE Amex:EPM) announced today that it will present at the IPAA Oil and Gas Investment Symposium to be held on April 20 - 22, 2009, at the Sheraton New York Hotel and Towers in New York City.

Robert S. Herlin, President and Chief Executive Officer is scheduled to present on Monday, April 20, 2009 at 4:35 pm Eastern Time (3:35 pm Central Time). The presentation will be broadcast live over the internet and can be accessed from the Investor Relations section of Evolution's website at www.evolutionpetroleum.com. A replay of the presentation and the accompanying slides will be available on the company's website for at least 90 days.

About Evolution Petroleum

Evolution Petroleum Corporation (<http://www.evolutionpetroleum.com>) acquires known, onshore oil and gas resources and applies conventional and specialized technology to accelerate production and develop incremental reserves and value. With no debt and a strong balance sheet, the Company is well positioned to carry out its initiatives in Enhanced Oil Recovery, Bypassed Resources and Unconventional Gas Development.

Principal assets as of July 1, 2008 include 4 MMBOE of proved and 3.1 MMBOE of probable reserves in the Giddings Field of central Texas, approximately 13 MMBO of probable reserves associated with the 13,636 acre Delhi Field Holt Bryant Unit currently being redeveloped with CO₂-EOR technology in northeast Louisiana, and leases covering approximately 18,000 net acres in two Woodford gas shale projects in Oklahoma. The Company is also actively engaged in developing new projects within its initiatives.

Additional information, including the Company's annual report on Form 10-KSB and its quarterly reports on Form 10-Q can be accessed on its website at www.evolutionpetroleum.com.
