Evolution Petroleum to Present at the Global Hunter Securities Conference in San Francisco

Houston, TX, July 14, 2011 - Evolution Petroleum Corporation (NYSE Amex : EPM) announced today that it will present at the Global Hunter Securities Conference, which will be held in San Francisco on July 17-19, 2011.

Robert S. Herlin, President and Chief Executive Officer is scheduled to present on Tuesday, July 19, 2011 at 10:00 a.m. Pacific Time. The presentation will be broadcast live over the internet and can be accessed from the Investor Relations section of Evolution's website at www.evolutionpetroleum.com. The presentation and the accompanying slides will also be available on the company's website for replay.

About Evolution Petroleum

Evolution Petroleum Corporation develops incremental petroleum reserves and shareholder value by applying conventional and specialized technology to known oil and gas resources, onshore in the United States. Principal assets as of June 30, 2010 include 12.4 MMBOE of proved and 7.2 MMBOE of probable reserves. Producing assets include a CO₂-EOR project with growing production in Louisiana's Delhi Field, horizontal wells in the Giddings Field of Central Texas and initial test wells in south Texas and eastern Oklahoma. Other assets include an emerging Woodford shale gas project in Eastern Oklahoma and a proprietary artificial lift technology designed to extend the life of horizontal wells with oil or associated water production. Additional information, including the Company's annual report on Form 10-K and its quarterly reports on Form 10-Q, is available on its website at (www.evolutionpetroleum.com)
