FOR IMMEDIATE RELEASE

Evolution Petroleum to Participate in the IPAA Oil & Gas Investment Symposium and the Howard Weil Energy Conference

Houston, TX, April 2, 2008 – Evolution Petroleum Corporation (AMEX:EPM) will be attending the IPAA Oil & Gas Investment Symposium and the Howard Weil Energy Conference during the week of April 7, 2008.

Robert S. Herlin, President and Chief Executive Officer is scheduled to present on Monday, April 7 at 11:45 a.m. Eastern Time at the IPAA Oil & Gas Investment Symposium in New York City. Mr. Herlin's presentation will be broadcast live over the Internet. The webcast link and accompanying slides can be accessed live and for replay by visiting the Company's website at www.evolutionpetroleum.com.

Mr. Herlin will also be attending the Howard Weil Energy Conference in New Orleans on Wednesday, April 9 where he will host a breakfast table and attend one-on-one meetings with investors. He will be joined by Sterling McDonald, the Company's Chief Financial Officer.

About Evolution Petroleum

Evolution Petroleum Corporation (<http://www.evolutionpetroleum.com>) acquires mature, onshore oil and gas resources and applies conventional and specialized technology in enhanced oil recovery, horizontal drilling and unconventional gas to develop incremental reserves, production and value.

Principal assets of the Company include 7.4% in overriding royalty interests and a 25% after payout reversionary working interest in the 13,636 acre Delhi Field Holt Bryant Unit in northeast Louisiana, which is being redeveloped through CO₂ enhanced oil recovery technology. The Company also owns working interests in leases with proved and other than proved, developed and undeveloped reserves covering approximately 24,500 net acres in the Giddings Field in central Texas and two gas shale projects in another state. The Company has commenced its horizontal development drilling program in the Giddings Field, and is actively engaged in developing other projects in its areas of expertise.
