## **Evolution Petroleum to Present at the IPAA Oil and Gas Symposium and ResourceOne Conference in New York**

**Houston, TX, April 9, 2010** - Evolution Petroleum Corporation (NYSE Amex:EPM) announced today that it will present at the IPAA Oil and Gas Symposium to be held on April 12 - 14, 2010, at the Sheraton New York Hotel and Towers and the ResourceOne Conference to be held on April 21 & 22 at the W New York Hotel in New York City.

Robert S. Herlin, President and Chief Executive Officer is scheduled to present on Wednesday, April 14, 2010 at 9:35 am Eastern Time (8:35 am Central Time). The presentation will be broadcast live over the internet and can be accessed from the Investor Relations section of Evolution's website at [www.evolutionpetroleum.com](http://www.evolutionpetroleum.com). A replay of the presentation and the accompanying slides will be available on the company's website for at least 90 days.

Sterling H. McDonald, Chief Financial Officer is scheduled to present on Wednesday, April 21, at 9:30 am Eastern Time (8:30 am Central Time). Although the presentation will not be webcast, a copy of the slides will be available on the company's website.

### **About Evolution Petroleum**

Evolution Petroleum Corporation (<http://www.evolutionpetroleum.com>) acquires known, onshore oil and gas resources and applies conventional and specialized technology to accelerate production and develop incremental reserves and value. The Company is well positioned to continue its development projects in CO<sub>2</sub> based EOR, bypassed resources and low cost shale gas. Principal assets as of July 1, 2009 include 3.9 MMBOE of proved and probable reserves in the Giddings Field of Central Texas, 0.5 MMBO of proved and unproved reserves with 90+ additional locations in South Texas, 13.6 MMBO of producing probable reserves in the Delhi CO<sub>2</sub> EOR project in northeast Louisiana, 17,780 net acres of leases in shallow gas shale in Eastern Oklahoma and a proprietary artificial lift technology intended to extend the life of horizontal wells with oil or associated water production.

Additional information, including the Company's annual report on Form 10-K and its quarterly reports on Form 10-Q, can be accessed on its website.
