**About Evolution Petroleum**

Evolution Petroleum Corporation (<http://www.evolutionpetroleum.com>) acquires mature oil and gas resources and applies conventional and specialized technology to accelerate production and develop incremental reserves and value. The Company currently owns 7.4% in overriding royalty interests and a 25% reversionary working interest in the 13,636 acre Delhi Field Holt Bryant Unit, a 25% working interest in certain other depths in the Delhi Field and 100% working interests in smaller fields, all located onshore in Louisiana. Having already produced 190 million barrels of oil through primary and secondary recovery methods, the

Delhi Holt Bryant Unit is scheduled for redevelopment using CO2 enhanced oil recovery technology. The Company is actively engaged in other development projects.

Additional information, including the Company's annual report on Form 10-KSB for fiscal 2006 and its quarterly reports on Form 10-QSB can be accessed on its website at [www.evolutionpetroleum.com](http://www.evolutionpetroleum.com).
